

# Manufacturing Process Technician (Wet Process)

Would you like to work for one of the top Printed Circuit Manufacturers in the UK, and be on a fixed shift? We can offer that with award winning training as well. Do you want to work for a Company where people are saying? *“Forward thinking company” – “Room for progression” – “Good Company to work for” – Excellent reputation” – “Stable Company” – “Good staff retention” – “Impressed on contentment of staff” – Lots of positives about Graphic” – “Legendary bonus scheme”*. If so, we want to hear from you.

**The Company:** Graphic PLC has been in business for over 50 years and is recognised as a top go-to company in the industry. We manufacture high performance printed circuit boards in low to medium volumes for high technology blue chip companies worldwide. We have very well respected team of employees who are working on the cutting edge of Printed Circuit technology.

**The Position:** You will ideally have Production/Manufacturing and previous chemical experience. You will be working in a well-established award winning facility as part of the Technical Team supporting the Production Team in making highly technical printed circuits. You will be assigned to specific processes within the manufacturing plant and be given ownership of those processes. The expectation is to make improvements, and add new capabilities where applicable. (A Chemical engineering background or education is preferred but not required).

**The shifts:** We are looking for a Process Engineer to work our Day Shift Monday to Thursday 8am to 5pm and Friday 8am to 2pm. All our production shifts are fixed time. Not rotational, continental, four on/four off or any other movable shift pattern. We expect some flexibility and overtime if needed.

**The Pay and other information:** The Process Engineer team have a skills pay structure which increases as you become more skilled, trained and able to perform your duties to a set criteria. The Trainee level is £24,240. The next level is £27,876. The pay is negotiable depending on your experience. This is a full time, permanent position and we would look forward to you joining the team, of which many have been with Graphic on average for over 12 years, with many individuals a lot longer than that.

**The Benefits:** A very competitive benefits package including a generous Bonus program, Contributory Pension, Employee Life Assurance, Company Sick Payments Scheme, Service Recognition benefits including additional holiday from year 2, discounted local gym membership and Skill Related Pay Grading.

**The Location:** Graphic PLC is based in Crediton Devon on the Lords Meadow Industrial Estate, EX17 1HN, which is a short 8 mile drive north from Exeter and 12.5 miles from Tiverton.

**The Contacts:** More information available from Alan Good 01363 774874 [agood@graphic.plc.uk](mailto:agood@graphic.plc.uk) or our web site [www.graphic.plc.uk](http://www.graphic.plc.uk) the vacancy can also be found on the job website 'Indeed.co.uk'
