

Vacancy Details

Employer	Graphic Plc
Job title	Quality Engineer
Closing date	21 May 2021
No of posts	1
Job categories	Quality Department - Manufacturing
Salary	Negotiable, depending on experience
Job description	We are looking for a high performing Quality Engineer with quality manufacturing experience. You will be working in a well-established, award winning facility as part of the Quality Team Monitoring and controlling the quality of product in all manufacturing activities and advising production staff on quality issues as required, ensuring that the product meets the standards required by the customer.

Your Day-to-Day:

- ❖ Skilful work that is accurate with an attention to detail
- ❖ Methodical use of documentation control systems – paper and electronic
- ❖ Decision making
- ❖ Thrive on change while remaining highly organised
- ❖ Excellent administrative, organisational and communication skills

This is a full time permanent position and we look forward to the successful candidate joining our Quality Team, the majority who have been with the Company for many years.

Company information	Graphic PLC has been established in Crediton since 1968, with global manufacturing subsidiaries in the USA, Italy and China. We manufacture high performance printed circuit boards (PCB) in low to medium volumes for blue chip companies worldwide. The main markets are military, Aerospace and Telecommunications. Graphic PLC Crediton currently employees 180 staff, working 24 hours 5 days per week.
----------------------------	--

Why Graphic PLC:

- ❖ Competitive salary
- ❖ Quarterly Company bonus scheme
- ❖ Contributory pension including Life Assurance
- ❖ Company sick payments scheme
- ❖ Service recognition benefits including additional holiday
- ❖ Free Company clothing of polo shirts and soft shell jacket
- ❖ Various staff discounts
- ❖ Discounted Local Gym Membership
