

Vacancy Details

Quality Lab Technician

Graphic PLC is looking for a Quality Lab Technician who wants to work for an award winning company which has been established in Crediton since 1968 (over 50 years) and *"Where People make the Difference"*. You will directly contribute to the team in the Quality Department supporting the manufacturing of printed circuit boards for prestigious projects and company's worldwide.

What people say?

"Forward thinking company" – "Room for progression" – "Good Company to work for" – "Excellent reputation" – "stable Company to work for" – "Good staff retention" – "Lots of positives about Graphic" – "Legendary bonus scheme"

Position Description:

We are looking for an applicant ideally with Quality Control and Quality Assurance experience (this is not essential). You will be working in a well-established, prestigious, award winning facility as part of the Quality Team focused on fulfilling quality requirements, relating to how a process is performed or made, also controlling activities and planning to ensure that the product is fit for purpose. The reputation of the company relies heavily on the quality of the product. The successful candidate will be working to aerospace and exacting national, international and customer standards. Full training will be provided.

Your Day-to-Day:

- ❖ Thrive on change while remaining highly organised
- ❖ Drive to individually improve whilst still being a fantastic team player
- ❖ Methodical use of document control systems – paper and electronic
- ❖ Skilful work that is accurate with an attention to detail
- ❖ Exceed quality requirements and manage the quality controls
- ❖ Good administrative, organisational and communication skills

What you bring to the Team:

- ❖ Strong record of achievement
- ❖ Previously trained in production/manufacturing environments
- ❖ Numerate and good computer literacy skills
- ❖ Logical thinking & reasoning skills
- ❖ To work accurately with attention to detail.
- ❖ Good technical aptitude

Why Graphic PLC:

- ❖ Performance pay rates
- ❖ Company bonus scheme
- ❖ Contributory pension scheme including free Life Assurance
- ❖ Company sick payments scheme
- ❖ Service recognition benefits including additional holiday from year 2
- ❖ Free company clothing of polo shirts and soft shell jacket
- ❖ Full award winning training
- ❖ Various staff discounts including Discounted local Gym Membership
- ❖ Family Social events.

You're Hours

Your working hours will be Day shift Monday to Thursday 8am to 5pm including two 10 minute paid breaks per shift, and half hour unpaid lunch break, and Friday 8am to 2pm including two 10 minute paid breaks per shift, (40 hours per week).

We are providing world class delivery and quality requirements to our customers, so some flexibility of hours and shifts will be required.

You're Pay

Starting on the Performance Related Pay Structure depending on experience, from £383.00 per week - £412.40 per week after 3 month probation.

This is a full time permanent position of a fixed shift, no continental, shift rotation, or any other rotational shift pattern.

We look forward to the successful candidate joining our Quality Team, the majority who have been with the Company for many years.
