

## Vacancy Details

<b>Employer</b>	Graphic Plc
<b>Job title</b>	<b>Team Member – Quality Department</b>
<b>No of posts</b>	1
<b>Job categories</b>	Quality - Manufacturing
<b>Hours</b>	<b>Night Shift = Mondays to Thursdays 6pm to 6am.</b>
<b>Salary</b>	<b>£21216.00</b> per annum starting wage, <b>£22796.80</b> per annum after successful completion of 3 month probation period. Generous shift allowance of <b>£3120.00</b> per annum.

**Job description** You will be working in a well-established, award winning facility as part of our Quality Team, monitoring and controlling the quality of product, ensuring that the product meets various company, customer, National and/or International standards and preparation of test reports and documentation. We are looking for a high performing Quality Lab Technician ideally with Production/Manufacturing experience. Full training will be provided.

### **Your Day-to-Day:**

- Skilful work that is accurate with an attention to detail
- Methodical use of documentation control systems – paper and electronic
- Decision making
- Thrive on change while remaining highly organised
- Drive to individually improve whilst still being a fantastic team player
- Good administrative, organisational and communication skills

We have a Performance Related Pay Scale whereby your wage can be increased according to your skill, experience and knowledge. This is a full time permanent position and we look forward to the successful candidate joining our Quality Team, the majority of whom have been with the Company for many years.

### **What you bring to the Team:**

- Strong record of achievement
- Previous experience in a quality environment
- Numerate and good computer literacy skills
- Logical thinking and reasoning skills
- Work accurately with attention to detail
- Good technical aptitude
- Good people skills
